When Insolvency Crosses Borders: Are We Ready?

Monday, 11 August 2025 | 2:00 pm – 6:00 pm

Venue: Podium 1 & 2, Level 7, Holiday Inn Kuala Lumpur Bangsar by IHG

We are pleased to announce our upcoming legal conference, ***When Insolvency Crosses Borders: Are We Ready?***.

As Malaysia prepares to adopt the **UNCITRAL Model Law on Cross Border Insolvency**, this conference aims to provide a clear overview of what that means, how the Model Law works, the practical impact of its adoption, and what to expect moving forward.

Discussions will cover key issues such as the recognition of foreign insolvency proceedings (both inbound and outbound), protection of local creditors through ring fencing, treatment of foreign creditors, and the evolving role of insolvency practitioners.

The conference will also explore more complex challenges, including issues relating to the centre of main interest, securing and distributing cross border assets, and the cost barriers faced by smaller debtors or creditors.

Whether you are involved in restructuring, legal advisory, financing or regulatory work, this event is designed to help you understand the potential implications of Malaysia's shift toward a more harmonised cross border insolvency framework.

NOTICE

This is a closed-door event and attendance is subject to confirmation. Register your interest [HERE](#).
