INSOLVENCY CONFERENCE 2016 THE COMPANIES BILL 2015: A New Horizon for Insolvency

26 May 2016 (Thursday) | Connexion Conference and Events Centre @ Vertical

Corporate Malaysia logged a major milestone on 4 April 2016 when the Companies Bill 2015 was passed by Parliament, with the aim of improving the ease of doing business in Malaysia while modernising and aligning company law practices with international standards.

Insolvency practitioners must take note that the new Bill features significant changes related to corporate insolvency with the introduction of new corporate rescue mechanisms. Given the rapid developments in the increasingly global world of restructuring and insolvency practice, this year's Insolvency Conference will focus on regulatory reform with the aim to alert insolvency practitioners to these salient changes. Apart from being an invaluable learning vehicle, this Conference is an ideal venue for insolvency practitioners to network and engage with leading experts and peers in order to stay current on challenges and innovations in this evolving field. If you deal with companies requiring restructuring or are insolvent, do make sure to mark the Insolvency Conference 2016 on your calendar and make the most of this learning opportunity.
